Hello Acton Lions and Guests,

Well, I feel that I missed so much this holiday season but it was a great trade-off since I got to see my great-grandchildren in Texas. It made the holiday so very wonderful, even though I missed you Lions so much. I am glad to be home though. It was a great time of rest for me, which is something I do not reward myself with enough.

I hope you all had a great holiday and that you are ready to roar forward into the New Year!

With Pride, President Luci Sweron

Lion Judi Olson had a car accident a few weeks ago. With rest and therapy feels she will be back in full swing. Hurry up and get well already. We miss you!

MEMBERSHIP

Please keep in mind that membership is important to the life of our club. The more Lions members we have, the more people we can help. Let's grow our membership.

Look for people who want to make a difference. Then we can make a difference. PDG Bill is planning a friendship dinner on March 21st. Please begin creating a list of people that would be attracted to our group. Do not prejudge. We just need a name and address. The membership committee will send out the invitations.

VISIT OF INTERNATIONAL PRESIDENT WING-KUN TAM

By Lion Sondra

As happens at the end of each year, we gather our thoughts and work toward setting goals for the upcoming year. Also, at this time the international president comes to pay a visit to Southern California and all the Lions he can possibly see! This year, we were blessed to have the awesome International President Dr. Wing- Kun Tam. The Newyear's and I met him first at the International Convention in Seattle where thousands of Lions met to learn and be inspired by the best. His goal for the year was to meet with as many Lions club presidents as he possibly could. On Thursday, the 29th you could have seen him at the IP Reception. As a sitting District Governor you could enjoy a Dinner in Monterey, on the night of the 30th. You could have had breakfast with him on New Year's Eve morning and then had a tour of the floats in the barn where our float was built.

HOLIDAY MEETINGS!

At the meeting of December 7th, we were serenaded by a young group of vocalist under the direction of Kathy Lively. She did a wonderful job with these young people and you can certainly tell that she and they enjoy what they do. Thanks, Lion Sandy, for setting this up.

After that was a feisty game of Christmas trivia, led by our very own PDG Bill Newyear. We always learn so much and I don't know how he always has new questions. Or is it that we just forgot the answers? Oh well "What ev!"

Then there was a wonderful reading by Lion Dan. He has such a marvelous voice. He read a beautiful story called "The Gift of the Magi!" Thanks for being there and reading again!
