A MESSAGE FROM THE PRESIDENT

Hello Acton Lions and Guests!

In September we had a barrage of happenings. We started out with our first meeting being a speaker's forum on the special education programs in our schools. We made a visit to Teresita Pines for a great open house. Lions Tony, Tina and Cal had never been there before. Lion Scott was our tour guide. From there, we had another awesome pancake breakfast. On the 19th a few of us did a highway cleanup. Lions Scott, Doc, Tony, me and PDG Bill shared in this service project.

Governor Marcia, PDG Bill and I made our way to the USA/Canada Forum. It was held in Milwaukee, Wisconsin. I had the pleasure of rooming with Lion Nancy Hayakawa and we had a great time. The speakers were great and I received a military coin from Major Patricia Murray. I will always have it with me, so just ask to see it! Then on the last night I picked a table that surrounded me with Leader Dogs, oh and their masters. This was a perfect set up for me, being chair for the guide dog project! I think that my favorite session was on PRESCHOOL VISION SCREENING PROJECT. This is a great way to bring service to underprivileged children.

I will share much of my experience at the Forum as time goes along. I hope that you will enjoy my stories as much as I enjoyed experiencing them. On the 2nd we have been asked to help with the Agua Dulce Elementary School Booster Club fundraiser. We cook and sell and we get half the profit. It is in the Bullwinkle's parking lot, in Agua Dulce from 10:30 to about 3 that we are needed.

Let's have a great month!

Respectfully, President Sondra

NEWS LOT (CORNER CROWN AND SOLEDAD)

MEETING HIGHLIGHTS

Our first meeting of was our speaker meeting. With the Help of Lion Sandy, we had a wonderful group of educators speak about special education in our area. That list of speakers included our very own Lion Virginia. At our board meeting we discussed our policies on setting up participating pancake breakfast groups and how they are financially benefited. We also discussed the Christmas tree which will be at the location of the Acton-Agua Dulce News (corner of Soledad and Crown Valley.) On top of that we talked about offering assistance to our fellow Lions in need. We made a decision, as a board to sponsor a table at the District fashion show. Lion Sandy told of her upcoming speakers: Scott Griffin w/ beer in October, Lion Judi Olson w/ her Wounded Veterans- Canine Companions for Independence Project, in November, and Lion Walt Satalino with "Holiday Trivia!" We are also putting into consideration an amount to assist the Darnell Children. At the meeting of September 15th we called for a vote on the amount we would like to contribute to a charity to feed the hungry and the charity that we would like to give our contribution to. It was decided to donate \$100 to each of two worthy sources of help for the hungry. One will be the Presbyterian Church of Acton food pantry. The other will be Grace Resource Center of the Antelope Valley.
